Mori Hospitality Corporation

Appointment of New General Manager at ARK Hills Club

We are pleased to announce that Yuki Kigoro has been appointed as the new General Manager of ARK Hills Club, effective June 1st 2022.

Her hospitality career initially started in the food and beverage sector, before developing into a successful career path. After experiencing a few hotels in Japan and overseas, she joined the ARK Hills Club Pre-opening office as a sommelier and manager of Continental Dining in 1998. In 2006, she moved to the Roppongi Hills Club as membership director, later promoted to Executive Assistant Manager in 2013. Since 2017, she assigned as the General Manager of the Roppongi Hills Club.

“I am very honored to have the opportunity to contribute to the ARK Hills Club, where I have learned a lot from you members since its first opening 20 years ago. We will continue to listen to the voices of everyone who support us while evolving day by day and will strive to provide a more valuable club life with the same sense of security and high quality hospitality.” says Kigoro.

About ARK Hills Club:

An oasis of tranquility in the very heart of Tokyo, a bustling metropolis that represents a vital nexus for the global pulse of information. There was a pressing need for a comfortable, refreshing space to serve as the stage for cosmopolitan communication, so in September 1998 the ARK HILLS CLUB was established. Whether you are interested in executive networking or a quiet rendezvous, this elegant members' club provides the perfect venue for meeting, relaxing, talking and dining.
